pet—why should his friends complain because he differed from them on this one poor, little, triffing, insignificant question of the currency? True; he did sign the other bills—and why? Nothing but the deepest, the inost angusthed committed of bringsh, in the Legislature and in his opening Address, had induced him to sign the Land bill; and if rumor spoke the truth, in the bills he heritand low. The

of Congress has, at le a close, The ines of the Presidential succession? Yes, and who? Dad the Whige? No. Did the that that party would take John Tyler as their candidate without any change of opinics? They formerly opposed and ridiculed their. There must then have been a change of the plain, the obvious, the pathels inference; the plain, the obvious, the pathels inference? That Mr. Tyler had changed.

But this was ne betrayal—no trembery —not at al. And why? Because it was a difference of opinion on only one point.—

Du one point? Why Armold and Ruil difference of opinion on only one point, and that was, whether they should light for or against their country. And was thure any less difference here? The question here, shall I gentle of America only on one of the country of go over to the British? That question here, shall I gentle of the board on the short remnant of the known on the was left him, and he thust omit much that he had prepared. It is now controlled from a total say but a word on the word term by the minute omit much that he had prepared. The would say but a word on the word term by the distance in on the distance in the distance in the distance in one of a new Go the board given by Mr. Tyler, in 1839, at a public darger at Southampton. [Here shoot the first means the distance in south and the most given by Mr. Tyler, in 1839, at a public darger at Southampton. [Here shoot the minute of the holicy which them by the Whig person and the loss of the folicy which them by the Whig person and the loss of the folicy which them by the Whig person and the loss of the folicy which them by the Whig person and the loss of the folicy which them by the Whig person and the short which was given by Mr. Tyler, in 1839, at a public darger at Southampton.
